### **Stqarrija: Ir-Raba' Vapur tal-Gozo Channel**

Il-Kamra tan-Negożju għal Għawdex tinnota bi pjaċir l-añbar li ngħatat mill-Ministeru għal Għawdex li l-flotta tal-Gozo Channel se tiżdied b'bastiment ieħor. Is-sitwazzjoni preżenti tas-servizz tiġġustifika din iż-żieda, u l-Kamra kienet ilha titlob dan għal diversi snin. Huwa ttamat li b'dan il-bastiment s-servizz jitjeb għall-vjaġġaturi kollha. B'dan il-mod ukoll il-manutenzjoni tal-bastimenti tista' tkun ippjanata aħjar u s-servizz iddedikat għall-merkanzija jista' jerga' jiġi introdott. Huwa mifhum li l-kiri ta' dan il-bastiment huwa ta' natura temporanja u għal perjodu definit sakemm jista' jinħareġ tender internazzjonali f'dan ir-rigward.

## **Press Release: The Fourth Ferry for Gozo Channel**

The Gozo Business Chamber welcomes the announcement by the Ministry for Gozo that the Gozo Channel fleet will be increased by another vessel. The present service situation warrants this increase and the Chamber has been clamouring for this for years. It is hoped that the saturation point that has now been reached will be alleviated by this vessel so that the service will improve for all commuters. In this way vessel maintenance can be better planned and a dedicated service for cargo can be introduced again. It is understood that the lease of this vessel is of a temporary nature and for a definite period until an international tender can be issued in this regard.
