**Press Release:** Prior Information Notice for Gozo-Malta tunnel issued

The Gozo Business Chamber notes with pleasure the publication of the Prior Information Notice issued by Infrastructure Malta through which the tendering process of the tunnel between Gozo and Malta is being initiated. This notice is the first step that leads to the actual tendering process of a permanent link between the two islands. It prepares interested parties for a tender that will be issued for the Design, Build, Maintenance and Operation of a Malta-Gozo tunnel, giving various timelines. A conceptual design that is being finalized, will be ready in the first quarter of 2019.

The Chamber augurs that the process which now has actually started for the realization of this project, will now continue unabated.
